NADAC REGISTRATION

You will need to register your dog(s) with NADAC in advance of the trial. Dogs can be registered on-line at the NADAC web site www.nadac.com. (Click on "Dogs" in the Home Page and then on "Dog Reg. Form").

IMPORTANT. Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACAgility@yahoogroups.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACAgility@yahoogroups.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels. Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

NADAC RULES AND REGULATIONS

This trial will be held under the current rules and regulations of NADAC. By entering this trial, the exhibitor is representing that he/she is knowledgeable of NADAC's rules. For detailed information about new NADAC rules and classes go to www.nadac.com. Exhibitors Handbooks are available free of charge by downloading them from NADAC's web site. A hard copy of the Handbook may be requested through the NADAC office.

SKILLED AND PROFICIENT CATEGORIES

Dogs may be entered in either the Skilled or Proficient category. A dog may only be entered in one category for the entire weekend. A dog may not be entered in Skilled one day and Proficient on another day. Dogs may enter the Skilled or Proficient category in the Standard, Veteran Dog, Veteran Handler, or Junior Handler Division.

If you enter the Skilled category, you must run your dog one jump height lower than its standard jump height. (Four inches will remain the minimum jump height.) Dogs are allotted the standard course time for, and are scored and placed in, the jump height entered.

In the Proficient category to earn 10 points toward any title, you must not incur any course faults or time faults. Dogs entered in the Skilled category may earn a 5 point qualifier in Regular Agility only. You may incur up to five course faults or five time faults and still receive a 5 point qualifying run. In all other classes you may earn ten points toward Skilled titles only if there are no time or course faults. Points earned in the Proficient and Skilled category are combined and count toward the same title in the Novice and Open levels.

JUMP HEIGHTS

Dog's Height	11" & under	14" & under	18" & under	20" & under	Over 20" (20+ class)
<u>Standard</u> Proficient:	8"	12"	16"	20"	20"
Skilled:	4"	8"	12"	16"	16"
<u>Vets/JHs</u> Proficient:	4"	8"	12"	16"	16"
Skilled:	4"	4"	8"	12"	12"

NOTE: An exhibitor entering a dog in the Skilled category must jump in one jump height lower than its standard jump height. No dog entered under veteran dog, veteran handler, or junior handler may jump higher than 16" nor may it be entered at a height higher than the lowest height the dog is eligible to jump. If a handler enters as a veteran or disabled handler, that designation must be applied to all dogs handled by that handler and for all runs that weekend.

REFUNDS

A 100% refund will be given for any requests for withdrawals received prior to the Closing Date. After the Closing Date until 6pm on Monday, July 11, 2011, 100% refunds will be given for bitches in heat, injured or ill dogs (with verification from a vet upon request) or family emergency, less a \$20.00 handling fee. After 6pm on Monday, July 12 until midnight Thursday before the trial, 50% refunds will be given for bitches in heat, injured or ill dogs (with verification from a vet upon request) or family emergency, less a \$20.00 handling fee.

NOTICE TO EXHIBITORS

This trial is sanctioned by the North American Dog Agility Council (NADAC), with Muddy Paws Agility Club of Kitsap as the host club. Exhibitors through submission of entry acknowledge that they are knowledgeable of NADAC rules and regulations, including but not limited to, the following rules regarding entry:

- All healthy, trained dogs over eighteen (18) months of age are eligible to compete in NADAC agility trials. **ALL DOGS MUST HAVE A NADAC REGISTRATION NUMBER.**
- Bitches in heat, lame, or blind dogs are ineligible for entry, as is any dog with a deformity which may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely and in a manner that is in the best interest, health and welfare of the dog.
- Any dog which demonstrates aggression toward any person or any dog, whether inside the ring or outside the ring, **must** be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial.
- No collars, leads, food, toys, clickers, or other aids or devices shall be permitted on the course or within ten feet of the ring entrance at any time. The only exception to this is leading your dog to the start on lead, then handing the lead to a steward. All dogs should be on leash when not competing.
- Safety shall always be the foremost consideration in actions and conduct by handlers at all times.
- The organizing committee may not refuse any entry other than on the basis expressly provided through rules and regulations of the sanctioning organization(s). Anyone not currently in good standing with NADAC will not be allowed entry into the trial.
- The host club will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result be accidental or other cause. It is distinctly understood that every dog at this event is in the care and control of his owner or handler during the entire time the dog is on the show premises.
- There shall be no refunds in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal.
